Black pipes or black pipes with blue stripes

Confidential information according to the enclosure

The licensee above is hereby given permission to use the INSTA-CERT mark on or in connection with products, which fulfil the requirements of the standard or the normative document specified above (what is said in this document about INSTA-CERT mark will also be valid for marks defined in relevant SBC). The certification licence is valid on the condition that the licensee complies with the "General rules for certification by partners of INSTA-CERT" (GRC) and the specific rules applying to certification of products of the type mentioned. The licensee is obliged to indemnify INSTA-CERT partners of any claim for damages or any other expenses to which partners may become liable as a result of injuries caused by a product manufactured or sold by the licensee. This also applies to defective or faulty products.

Unless terminated, the certification licence will be automatically extended for one year at a time. The licence will be re-issued with a new "date of valid edition" only if the content and/or conditions of the licence have been changed. Termination may take place to the end of a year subject to three months' notice on the part of the licence holder and the certification body.

The licence is not transferable.
